ABOUT US

Thailand is known for its amazing balance of spicy, sweet, sour, bitter, and salty flavors, often finished with aromatic herbs. Thai cuisine is typically enjoyed family-style during social gatherings. Rather than being served in courses, diners are encouraged to sample many dishes at once. Food is typically shared, and rice is almost always included.

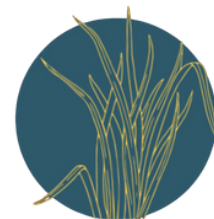

We offer three levels of spiciness: mild, medium, and spicy. Please inform the staff of your preferred level of spiciness! Our delicious food is freshly prepared and crafted for communal enjoyment, and dishes will be served as soon as they are ready.

Prices are listed in both Eastern Caribbean dollars and us dollars. A discretionary 15% service charge is added to your bill. This includes a 17% ABST charge.
